- # = polarity without earth contact
- \* = may be mounted exclusively in bulkhead housings
- ⊙\* = number of modular inserts that may be inserted in the enclosures
- ★ = polarity unavailable in the CMSE version

The polarity values in "red" are obtained using double inserts  
 The polarity values in "green" must be mounted exclusively in insulated enclosures (CM - CMA and MM - MMA series)  
 The polarity values indicated as exponentials in the CME, CMCE and CMSE inserts identify the pilot contacts for advanced opening
